

## Main and subordinate clauses

How many correct sentences can you make by joining the main and subordinate clauses?  
You can use each clause more than once.

I'm going into town	unless I say otherwise.

It should be fine	whenever you feel like it.

Can you extend these sentences by adding a subordinate clause at the **beginning**, in the **middle** and at the **end**? You can choose a different subordinate clause for each variation.

Remember to think about punctuation.
