Reveal - The Blurb

I'm finally off on a real adventure, to a place far away where everything is going to be completely different from what I know...

Jazz Harper has always admired her gran and loves nothing more than listening to her tales of exploration. Now, it is Jazz's turn as she and her mum blast off to where few have gone before: the planet Mars!

Life on Mars isn't quite what Jazz was expecting and, after months of travel to the Red Planet, she is disappointed by the school, the rules and the serious lack of excitement. However, when she and her friend, Elijah, sneak aboard the Mars explorer and secretly join the hunt for alien life, the adventure soon becomes very real...
