

Year 4 French

French
Colours -
Les Couleurs

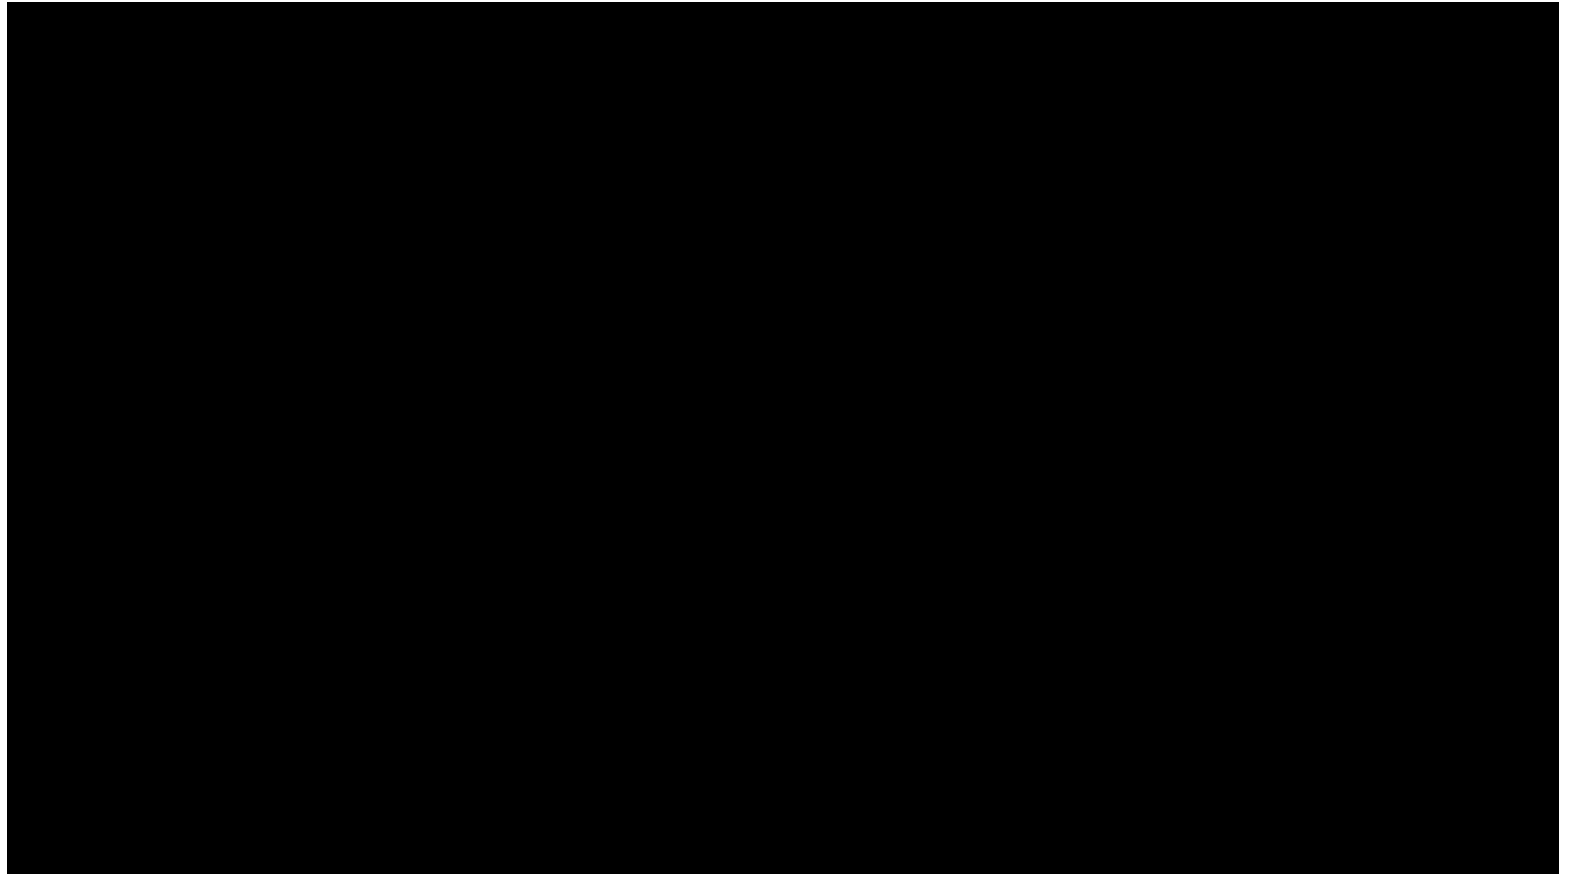

This French lesson will be trying to learn colours in French. By the end of the lesson you can try to label items in your house using the French names for colours. You can always challenge yourself by adding adjectives such as light and dark in French to the colours to make a phrase.

You can also complete the activity worksheet or can create your own sheet which is similar, to match the colour to its name.

A video to help learn the French
colours with the correct
pronunciation:

red - rouge

yellow - jaune

blue - bleu

green - vert

orange - orange

black - noir

grey - gris

brown - marron

pink - rose

purple - violet

You can also add an adjective
to describe the colours.

fonce - dark

clair - light

fade - faded/washed out

fonce jaune - dark yellow

Can you use the French colours to label objects in your house with the correct colour?

force bleu

light blue

Take some pictures of the objects you have labelled and send them to your teacher. We would love to see what colours you have found.
