Activity 7  
Retrieval  
Question Types

# Retrieval

There are a range of questions types that need you to retrieve information from the text to be able to answer them.

Today, we will be looking at the 5W's and 1H questions.

## 5W and 1H Activity

Today I am going to give you some sentences from the text and I would like you to think about the questions that could have been asked.

Let's do a couple together first

*What could the question be?*

*I said that we'll eat insects because that's what they're farming out there.*

# What could the question be?

I said that we'll eat insects because that's what they're farming out there.

What are they farming?  
Why will they eat insects?

*What could the question be?*

*Mum pointed out that the technicians on Mars make good  
lab-grown beef.*

# What could the question be?

Mum pointed out that the technicians on Mars make good lab-grown beef.

Who makes good lab-grow beef?

Where is good lab-grown beef made?

How is the beef on mars grown?

## 5W and 1H Activity

Your turn. There are some sentences for you to think of some 5W and 1H questions for on the Activity 7 Task sheet.
