

Hello Chief,

Now that your hall is designed you need to think about the rest of your village!

Using all the information you have learnt about what an Anglo-Saxon village was like can you now design and draw your own village?

- You should try to include as many features as you can to make sure your village is busy and thriving!
- You will also need to write labels to annotate all the features of your village and show you understand what it was like to live there.

You could draw it, paint it, complete it electronically or any other creative way you can think of!

Have fun Chief 😊
