

Year 4 - History

TBAT know what jobs people had in an Anglo-Saxon village.

In theme, we have been learning about how buildings have changed over time.

Now we have learnt about the buildings we are ready to look at the village. This activity will look more closely at life in an Anglo-Saxon village.

Village Jobs

Everyone who lived in an Anglo-Saxon village contributed to its running in some way.

There were a variety of every day jobs to be done including:

- Clearing and ploughing the ground.
- Grinding flour and making bread.
- Growing crops and tending to livestock.

Some people had more specialised jobs:

- Blacksmiths forged metal to make tools and weapons.
- Woodworkers made bowls, wheels and furniture.
- Jewellers made brooches and ornaments for the rich.

Task

As a chief you need to ensure that all the jobs are completed so that your village runs smoothly! Look at the task sheet to see what you need to do.
