

Week 3 activities	Wider curriculum – D&T
1	Hook – watch the video on the YouTube link and read the letter. Research burgers online and make notes about anything you find out to do with health.
2	Create a health and safety leaflet.
3	Create a questionnaire to ask members of your family about burger preferences. Challenge – create a chart or graph to record your results visually!
4	Devote some time to research.
5	You need to find an appropriate recipe online using your chosen ingredients.

Week 4 activities	Wider curriculum – D&T
1	Design packaging.
2	Optional challenge – try and make a 3D prototype of your packaging!
3	With an adult's support, following your H&S rules, design and make your burger. Take plenty of pictures and send to Miss G or Miss P!
4	
5	Evaluate your burger in line with the letter you read at the start of last week.
