

Can I evaluate my burger and burger box design?

Remember to:

- ✧ To evaluate your own product identifying any strengths and any areas for development against the original specifications*
- ✧ To identify any changes you would make if you repeated the task.*

My Burger

My Packaging

How I would describe my burger in 10 words.

What would you say are the strengths of your burger and box?

Does your burger and box meet your original criteria? How?

Did you change anything during the making process? What?

Were they hard to make? Why/ why not?

Are you pleased with your finished product? Why?

How could you make your burger and box better next time?
