write

Do your best to complete the newspaper report. You may want to use the newspaper report template it attached on the working document. Read your work back to make sure it makes sense and try to make it sound exciting for the reader.

Top tips:

- Make your headline short and snappy.
- In the first sentence sum up what the story is about.
- Write your report in the third person and the past tense.
- Split your newspaper report up into paragraphs to help the reader clearly understand the information.
- If you use quotes to make your report more interesting, don't forget to use speech marks!
- Use a photo with a caption to give the reader more information.
- Fill your newspaper report with both facts and opinions. Facts give the reader all of the information they need by using the 5 Ws.
