

Lesson 4-

I can identify
multiplication facts -
12 X 12

This lesson is all about practising our times tables. In year 4, we have been working hard to learn our times tables.

See how quickly you can answer the following multiplication questions, this can be verbally or written. Ask someone in your home to time you.

$$8 \times \underline{\quad} = 80$$

10

$$7 \times \underline{\quad} = 35$$

5

$$5 \times \underline{\quad} = 45$$

9

$$6 \times \underline{\quad} = 48$$

8

$$4 \times \underline{\quad} = 36$$

9

$$6 \times \underline{\quad} = 72$$

12

See if you can write out all the times tables on a piece of paper or on a device.

See if you can beat your highest score on TT rock stars. If you don't know your password/login for this, message your teacher on class dojo and they can get it for you.
