

Year 5 Home Learning Weeks 9 and 10

Outdoor Learning

Try and complete as many activities as you can over the 2 weeks

<p style="text-align: center;">PE</p> <p>Go for a walk that is at least 3km long. How many steps did you take? How far did you walk in meters?</p>	<p style="text-align: center;">Art</p> <p>Draw a picture of a flower in your garden/local park/outdoor area of your choice. Sketch it more than once to make improvements (think back to our poppy drawings). Use an art medium of your choice to add colour (colouring pencils/watercolours/paint)</p>	<p style="text-align: center;">Geography</p> <p>Go for a walk in your local area. What type of settlement do you live in? What types of houses are there? What facilities are there? Perhaps use a tally chart to record your findings.</p>
<p style="text-align: center;">Science</p> <p>Take a trip to East Park or a local park. How many different living things can you find there? How many vertebrates/invertebrates can you find?</p>	<p style="text-align: center;">PE</p> <p>Practise running 100m sprint. What techniques help you with this? How should you position your body when starting the race and why? What is your fastest time when running 100m?</p>	<p style="text-align: center;">History</p> <p>Have a look at the buildings of your local area. What types of materials have been used? What coloured materials have been used? What are the different ages of the buildings? Which style of buildings do you prefer and why?</p>
<p style="text-align: center;">Art and Design</p> <p>Take a camera out with you on a walk and take photos to represent the colours of the rainbow e.g. blue sky. Print the photos if possible to create your own rainbow collage.</p>	<p style="text-align: center;">PSHE</p> <p>Go on a walk. Stop occasionally to discuss your feelings. What things do you see that makes you happy/excited/sad/angry/confused/proud/scared?</p>	<p style="text-align: center;">PE</p> <p>Using the help sheets, learn how to perform the vertical jump, long jump and triple jump. Which one did you find the easiest to perform? Record your jumps – what is your personal best for each jump?</p>
