

Activity 1

We are going to look at another split diagraph. This is two letters that make one sound but they are split up by another letter.

o and **e** are cheeky partners. When **o** and **e** work together, they say /oa/.

o and **e** are too cheeky to sit together so they have to have a letter sit between them.

Read these words carefully and see if you can spot the split diagraphs.
