

This fortnight the writing activities will help develop skills to write a range of sentences.

This document will give you an overview of the activities and explain where you can find the supporting documents.

These can be viewed on a mobile phone/tablet/laptop/computer and completed in a range of ways e.g. verbally or on a separate piece of paper. Tasks do not have to be printed. If you feel your child can't complete a task without printing, and you do not have access to a printer, then do not worry about completing this task.

We would love to see your learning through dojo 😊
