26 March 2021

Dear parents/carers

We have reached the end of the spring term and so finish today for the Easter holidays.

It has been an unusual term for us all, but we have faced it with the usual Westcott resolve and resilience. Again, we thank you for your continued support during these challenging and ever-changing times.

We have been overwhelmed by how well the children have settled back into school following the partial closure and they have worked incredibly hard since their return.

The staff have been undertaking assessments of the children to identify any gaps in learning, putting in place any necessary interventions. These will continue into the summer term.

We do hope that as we emerge from the national lockdown, we begin to see infection rates drop and a lifting of some of the necessary restrictions in school as we move through the summer term. On our return after Easter however, our current risk assessment will still be valid and in place.

We understand that the national lockdown has had a detrimental impact on many of the children and you as parents, as it has for many of the school staff. If anybody is personally struggling remember there is always somebody here at school for you to talk to. We are also able to signpost parents to many support services available. Just contact the school for more information.

We hope you managed to see the children celebrating Easter in school via Class Dojo or our school Twitter feed – although it has been different, we have still had lots of fun over the last two weeks. The children have really enjoyed making their Easter bonnets and decorating eggs. These were kindly donated by our Friends of Westcott group, using donations and funds raised for the school.

I would like to take this opportunity to thank our Friends of Westcott group for their support this term. The restrictions have made our essential fund-raising activities more challenging, but our Friends of Westcott always find a way! The sweet cones have raised a significant amount of money for our school funds – which will benefit all children at Westcott.

Behind the scenes, the group continue to support the school, fund raising, bid writing, and reaching out to the local community and businesses in and beyond Hull.

Finally, on behalf of all the staff at Westcott I would like to wish you all a lovely Easter and hope that the sun shines on us so that we can enjoy some time outside with friends and family.

We look forward to seeing you all back at school on Tuesday 13th April.

Best wishes,

Deborah Tague

Headteacher
