

As **writers** we will look at traditional tales and produce our own non-chronological report about dragons. We will continue to write quality sentences with our best handwriting focusing on capital letters, full stops, conjunctions and adjectives. We will also explore some shape poetry.

As **digital creators** we will develop our understanding of computers, robots and technology.

In **RE** we will learn about the different festivals and celebrations that the Jewish faith celebrate.

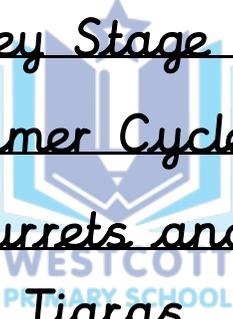

As **historians** we will learn about medieval history including castles and medieval life. We will also look at the impact the Battle of Hastings had on England.

As **mathematicians** we will learn about measurement looking at length, height, mass, capacity and temperature. We will continue to practise counting in 5 as we prepare to learn about telling the time.

As **musicians** we will compose our own song about friendship.

As **designers** we will use a design brief to create a fully functioning cart with axels.

Key Stage 1  
Summer Cycle 2  
Turrets and  
Tiaras

This term we will embark on a special themed week learning about the environment. As **environmental activists** we will learn about climate change and how we can have a positive influence on the world.

As **readers** we apply our phonic knowledge to read with greater fluency. We will continue to practise real words and alien words to help with our phonics. We will use our diamond reading skills to further understand the text that we are reading.

As **artists** we will use our sculpting skills to make a plate out of clay and then paint it in the style of Clarice Cliff.

As **scientists** we will learn about the structure of plants, recognising different types of plants and what they need to We will conduct an experiment by growing beans and observing what happens to them in different conditions.

As **athletes** we will develop our movement and coordination skills to engage in class sporting activities and enhance our running techniques. We will also work with a specialist coach.

As **geographers** we will learn about maps and compass points and the locations of famous castles in and around the UK.
